**End of Sale Notice (EOSN)
(or End of Life Announcement)
for ADTRAN Atlas 550 Product Line**

ADTRAN Inc. announces the End of Sale and End of Life dates for the Atlas 550 product line. The last date to order the affected products is March 31, 2018. Customers will continue to receive support from ADTRAN Technical Support until March 31, 2023.

Because some of these products are impacted by vendor discontinued parts, ADTRAN may be limited in its ability to support large last time buys on some of these products. These will remain for sale as long as they can be manufactured and/or inventory still exists or until the retirement milestones occur as listed in Table 2.
