Q&A

Why doesn't my external analog modem work when I set my ADTRAN Express XR/XRT/3000 for 230.4 kbps?

Q:

Why doesn't my external analog modem work when I set my ADTRAN Express XR/XRT/3000 for 230.4 kbps?

A: Your external modem does not support a data rate of 230.4 kbps
