

End-of-Sale Announcement for Total Access 1108VP and Total Access 1124P

September 20, 2016

ADTRAN announces the end-of-sale for the Total Access 1108VP and Total Access 1124P units listed in Table 1 and Table 2. These products are being discontinued due to obsolete components. There are no direct replacements for these products. Feasible alternatives are the 508VP and the 6th Gen 1148VXP schedule to release at the end of 2Q17.

The last date to order these products is June 30, 2017.

Table 1 – Total Access 1108VP Part Numbers Affected by this Announcement

End of Sale Product Part Number	Product Description

Table 3 - Milestones and Dates

Milestone	Definition	Date
End-of-Sale Announcement Date	The date the document is distributed that announces the end of sale of a product.	September 20, 2016
End-of-Sale Date	The last date to order the product. The product is no longer available for purchase after this date.	June 30, 2017
Last Shipment Date	The last possible ship date that can be requested of ADTRAN. Actual ship date is dependent on lead time.	July 31, 2017
Last Date of Support	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	June 30, 2020

Product Warranty is not affected on units when orders are placed by June 30, 2017. For orders that are accepted after June 30, 2017, the units shipped will have a one year warranty.

This information is to provide advance notice for planning and to allow our customers to make last time purchases before the products are no longer available. Please contact Deborah Beckman (256-963-8587 or deborah.beckman@adtran.com) if you have any questions regarding this notice. For technical questions, contact your Sales Representative.
